(Sri K. S. VASAN.)

Kolar District demanding suspension of revenue collections this year;

(*b*) what action has been taken to give the needed relief ?

A.—Sri KADIDAL MANJAPPA (Minister for Revenue and Public Works).—

(*a*) Yes, a few oral representations were made in the matter.

(*b*) Since there were good rains during the year and seasonal conditions are favourable and good crops raised, no action is necessary and there is no justification for grant of any remission or suspension of dry or wet assessment. Stray cases which deserve remission or suspension will, however, be examined.

Will the Government be pleased to state :—

whether they intend to merge 50 per cent of the Dearness Allowance into the salary of Government servants in the State as it has been done by the Central Government ?

Business of the House.

Sri J. MOHAMED IMAM (Jagalur).—Sir, before going to next item of business I would ask the Hon'ble Leader of the House whether he has come to any conclusion as regards the future programme of work of this House, because the other day I made a statement that we need some time for consideration of supplementary grants and we have got a number of Bills and we have to consider the Rajapramukh's Address and amendments thereto. There is hardly any time left for us. So it is better he takes us into confidence and let us know the definite programme for the future so that we may adjust our own programme accordingly.

Mr. SPEAKER.—We will consider this afterwards.

Sri K. HANUMANTHAIYA (Leader of the House).— Sir, with your kind leave I have 2 or 3 questions to be answered in the Legislative Council and I will go and be back. In the meanwhile my Hon'ble colleague will be here.

Mr. SPEAKER.—Yes.
